President's Message

Hello All,

Grace and I discussed this month's president's message and decided that she would like to write her goodbye as our newsletter editor. I thank Grace from the bottom of my heart for all that she's done for our group throughout the many years she's been involved and hope she enjoys whatever the future holds next!

Until next month, Kim

In late January 2000 about 20 women met on the Community Center patio to discuss whether or not a women's club would be established. I had moved to Turtle Rock in 1995 and by 2000 I had met several women whom I liked and enjoyed a luncheon once in a while. At first it was proposed that we have a Lunch Bunch Club but soon at the suggestions of the women present made it was clear that there was much more women enjoyed than just a luncheon.

So began the planning of our Club. In the beginning it was suggested that the Club be named, The Turtle Rock Ladies Club. It was also decided that we would meet once a month at the Community Center and enjoy a luncheon during the same month. The final decision that day was to start a Newsletter to keep our members informed as to luncheon venues and menus. The Newsletters were printed at Staples and distributed to the members by a group of volunteers.

As time went by we formed a team to do the business of the Club, i.e., Treasury, Officers and event planners. My part was to help the current President write the monthly Newsletter. The issues each month were only two or three pages.

When I agreed to step in as President, I suggested and took to a vote that our Newsletter be electronic and distributed in blind copies to our member's email addresses. This was 2003 and by that time we were a Club of 70 or 80 women. Editing the Newsletter was a joy to me because I loved to report on the growth of our Club. I have always sought and received approval from each of our Presidents. I felt that the Newsletter was the voice of our President and her Board.

All these years the task of sending out the news was a happy one. Lately, however, it has become just another task in my life. As our President's request two of our Board members, 2nd VP Susan Neisler and Secretary, Cean Cerny have shown an interest in doing this task in the future. I met with them and we discussed how this could be accomplished. I am happy to report that they have agreed to take up the baton from me and start editing and distributing the monthly newsletters starting with June.

Therefore, I say goodbye to you all as the editor of this very important communication tool. I will always be a member of this Club and hope to continue to be active. Many thanks to all of you who shared your family events, to our many Presidents who have worked with me and all those who took the time to respond to our events which were highlighted in our Newsletter it was most appreciated and made this task an easy one.

Much love to you all, grace
