President's Message

Hello All,

As summer is now upon us, we have a few changes to remind you of. First, we have a new email address: turtlerockwomensclub@gmail.com. You will be receiving the newsletter from this address, and you may send any news, pictures of outings, or pictures of family milestones to this address. Since the newsletter will have a slightly different format, please bear with us as we work through any issues. Many of you send updates of fun pictures and activities of your families, look for those in our weekly updates throughout June.

As a board, we thought it would be best to have speakers when the majority of our membership is in attendance at luncheons. As a group, we decided to have speakers in October, November, and January through April, for a total of six months throughout the year. We WILL NOT be having a luncheon in July, due to the fourth of July holiday. Also, I am told that Bunco will be taking a break in July and August as well. Please see the newsletter for more details on this and other TRWC activities.

Have yourself a safe and happy summer season!

Until next time,

Kim

A Tribute to Grace Cooney

"Just ask Grace and she will know", and she does! Now the question heard is "What will we do without Grace?" She has even helped us answer that. She remains a resource to our Club, but now as a participating member.

Healthy organizations, like the Turtle Rock Women's Club, change as the membership becomes more of a mixture of younger members, along with those who have been a part of the early years. Who knew in 2004, the year that Grace became President, that there would be mahjong, water aerobics, yoga, and the myriad other activities that are available to members now?

She, along with a few other early members, created our By-Laws which remain guides for us today. She has been supportive of change, used her computer skills to faithfully deliver our weekly newsletter, collected the information for our luncheon food choices, and acted as a resource for both small and large questions. And that is only the start of her list!

It is with gratitude that we thank Grace for everything she has done for this Club, and we honor her with our fondness for her attention to even the small details that result in events that please us all. We know that her interest in the Club will continue as she becomes a member like the rest of us. In sum, Grace is the "glue" which knits us together from the past into the vital Club we all enjoy today!

Update from the TR Activities Team

This month we traveled to the Asolo Repertory Theatre for a guided backstage tour. In addition to learning the history of the theatre we also toured the backstage and the costume design center. What an amazing morning!

What's Coming Up?

For **July** we are planning a movie and lunch outing in downtown Sarasota.

Then we will take a break for **August** and have already planned our September outing to Big Cat Habitat.

Save the date for this exciting outing scheduled for **September 19th**. It will be a grand adventure including a guided tour, a choice of shows and all day long admission to the Wildlife Sanctuary.

Other plans include an Autumn Turtle Rock Progressive dinner as well as a cooking series where several of our talented neighbors share their cooking secrets and demonstrate how to create a wonderfully delicious dish. Perhaps you have a favorite recipe you would like to share, let us know so we can add you as a chef for one of these sessions.

OTHER TRWC ACTIVITIES

We also have several smaller group activities that are held on an ongoing basis. These smaller groups are a great way to make new friends in the neighborhood. Many are looking for new members to join in the fun. If you are interested and have questions about a specific group please contact the activity organizer. Please do let us know if you have any suggestions on fun things to do. We have already received some suggestions and are working to include them in our calendar. We look forward to seeing you at our events!
