President's Message

Hello All,

Our August luncheon is being cancelled due to a low number of signups; however, some members are still planning on going to Turtles and ordering from the menu; details are below.

At our September luncheon at Mattisons we will be honoring Grace Cooney, our long time resident, newsletter editor, and past president. As mentioned in one of my previous messages, Grace is stepping down from doing our newsletter and we would like to thank her for all that she has done for our group.

On another note...Our activities committee has "knocked it out of the park" with all the fun and interesting activities for us to enjoy. Check out the newsletter for their fall activities and if you're a year around resident, please join us on one of these outings!

Work has begun on our summer pictorial directory. The directory is sent out twice a year to members. Look for this email from us in early August. We are also looking for volunteers for next year's board and luncheon committee. Please let a board member know if you are interested.

Until next time,

Kim

Big Cat Habitat and Gulf Coast Sanctuary is an ever-growing large-animal rescue in eastern Sarasota County. Founded in 1987 by Kay Rosaire, the nonprofit sanctuary is a permanent home for dozens of exotic animals, offers placement for animals in need, and works to educate the public about animal care and conservation.

The 1-hour guided tour of the animal sanctuary will begin at 11:00am. In addition to the tour, you will be able to attend two optional shows and spend the afternoon exploring the grounds and viewing the animals. <https://bigcathabitat.org/image-gallery/>
The timing of the shows is as follows:

	Parrots in Paradise	Big Cat Encounter
SHOWS	1:00 pm	2:00 pm

Even though we will be outdoors, many of the walkways are shaded or covered. The indoor area is air conditioned with bleacher type seats.

We need to confirm numbers and make payment in early September, so the deadline for registration is **August 30**. Please drop check made payable to TRWC along with form to Linda Ash, 4913 Sabal Lake Circle. Also indicate if you can provide a ride, or wish to carpool. Contact kmhowe001@yahoo.com or janmerchant@gmail.com with any questions regarding program.

Progressive Dinner!

The Turtle Rock Women's Club will be hosting a **Progressive Dinner** for its members on **Saturday, October 5th**. More details to follow, but here's the plan so far: Members will gather together for appetizers (provided by attendees) at the community center for a brief social hour, then disburse to various host homes for a catered dinner. Then finally we will all return to the center to enjoy desserts (provided by attendees). We will be looking for members to open their homes for an hour or two and host the dinner portion of the evening (catered food and liquor

will be provided for each host house). Volunteers who open their homes will determine in advance the number of people that they are able to accommodate for dinner. You can offer to host at least 4 and up to 10 people if you'd like. Volunteer hosts simply need to set a table in advance so that they can attend the social hour. Before the social hour ends, hosts return to their homes and extend a warm welcome to their guests as they arrive for dinner. Specific details will be provided in the invitation for the event. Be sure and act quickly when your invitation arrives as seating will be very limited, on a first come first served basis. The Women's Club is thrilled to offer an opportunity for members to spend a wonderful evening together.

LE BARGE TROPICAL CRUISE

The Turtle Rock Mens Club has invited us to join them on a cruise around Sarasota Bay. More details to follow so for now please hold the date **Thursday, October 24!!** *With this new addition, we've decided to shift our tour to Solomon's Castle till early 2020.*
