President's Message

Hello All,

It's hard to believe 2 years have gone by! It seems like just yesterday the "gavel was passed" to me at the December 2017 luncheon! As I'm reflecting on my tenure as president, I'd like to thank our dedicated board members over the past two years for all the support they've provided to TRWC. This IS really a group effort and they've been great to work with!

One of our recent board accomplishments is the installation of a central TRWC box at our clubhouse to be used by all committees within TRWC. Our board felt that in the long run this would be more convenient for members, and ladies heading up committees, to drop off and collect items. Look for more info on this in the newsletters and upcoming weekly emails.

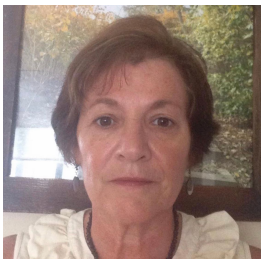

Lastly, I would like to thank Susan Neisler for taking over the big job of newsletter editor. Also, thanks to Cean Cerny who helped with setting things up initially. We are very grateful to both of you!

I usually end my message with "Until next time", but that won't be for this month. But I do look forward to seeing you around the neighborhood, at TRWC events, and at upcoming lunches!

Happy Holidays!

Kim

NEW YEAR NEW COLLECTION BOX!

We're excited to share that we now have a Collection Box at the Community Center. The box is located on the outside of the building. This is a secured locked box that can only be accessed by Board Members and Ed Olson. This box will be used for collection of luncheon checks, membership dues, and various TRWC social outings unless otherwise noted. This new box provides a neutral and convenient location for all members.

If you wish to mail your luncheon check please send to:
Paula Griffin ~ 5062 Timber Chase Way

We will begin using it for the January luncheon checks.

Introducing our January Speaker Nicole Coudal www.MyDeliciousBlog.com

Nicole is a New England native who has made the Sarasota area home for almost 30 years. She grew up in a family of great cooks who all influenced her passion for food and, as a kid, she spent lots of time in her kitchen and garden, all while caring for chickens, roosters, rabbits, a goat named Cindy, and a cat who regularly delivered field critters to the house.

She moved to Sarasota for a career in human resources, and for 20 years worked as an executive at several corporations. Over the years, she immersed herself in the community, including volunteer roles at many non-profit organizations.

Today, she's the author of MyDeliciousBlog.com, a popular showcase of recipes highlighting locally-sourced ingredients and sustainable seafood. When not working on her blog, Nicole writes for Visit Sarasota County and Edible Sarasota, is a guest chef on ABC's Suncoast View, and offers cooking workshops at the Historic Spanish Point Frances Newton Culinary Institute.
