President's Message

This month we are celebrating 20 years of the Turtle Rock Women's Club. What a wonderful 20 years it has been. Friendships have been formed, charities supported, fun field trips taken as well as building a community in Turtle Rock. Thank you for being a part of our 20 years. Our club takes many people to make it run smoothly. Thank you to each of you that has worked on a committee, served as an officer, ran a special interest group or volunteered in any way THANK YOU!

If you ever would like to sponsor a new group or activity for the TRWC please let one of our officers know. We would love to help you get started, we are always looking for new activities.

Happy 20 years Turtle Rock Women's Club and here is to 20 more!

Love was in the air at our first Mix and Mingle of the season on February 8 hosted by Mary Beth Cordier, Emily Miller and Carol Royce. We had a great turnout of members, friends, neighbors and fabulous food. Everyone was having so much fun that the only photo we have to share is our lovely hosts!

We're still looking for hosts for our April 4th, June 6th and October 17th events so please let us know if you're interested.

APRIL SPEAKER
Jon Thaxton ~ Gulf Coast Community Foundation
Senior Vice President for Community Investment

Jon Thaxton creates and implements Gulf Coast Community Foundation’s key strategies for transforming our region’s nonprofit community and providing leadership on emerging issues. Jon joined Gulf Coast in 2012 as director of community investment while completing his 12th year of service on the Sarasota County Commission, and was promoted to senior vice president in 2015.

In this role, Jon works with nonprofit organizations, donors, and other community partners to invest Gulf Coast grants and resources in projects that will transform our region and improve public policies. His knowledge of the region and the relationships he built as a public servant are tremendous assets to his work. Jon has provided critical leadership on behalf of Gulf Coast in our community’s creation of a system of care for homeless children and families, and he is part of the cross-sector team that is adapting that model to effectively house and support unaccompanied homeless youth and chronically homeless adults. Other transformative projects in which Jon plays a key role include community-driven efforts to extend the multiuse recreational Legacy Trail in Sarasota County and to sustainably redevelop the Sarasota Bayfront.

Jon is also recognized throughout Florida as a leading advocate for protecting the natural environment. A fifth-generation Floridian, he was raised on a farm near Osprey and began working at his family’s real estate company at 14. Jon began his environmental advocacy at Venice High School in 1974 as a founding member of the Ecology Club, and in 1996 he was featured in *National Geographic* for his efforts to protect endangered species.

Jon will be speaking about water quality and red tide.
