Springing Forward ...

If you enjoy our club events please consider lending your talents, ideas and participation to take us to the next level. This month the TRWC nominating committee will gather a slate of members willing to serve as leaders for next year's club. No experience required. The time commitment averages 5 hours or less each month.

In addition, there are many one time volunteer opportunities throughout the year such as Mix & Mingle host, graphic design for club communications, event support, and new member Friendship Group friends. Please consider volunteering solo or along with friends.

We love our volunteers! And just for fun this month we offer a MLB baseball outing and a Beach Luau themed community wide party. Channel your aloha spirit and come show off your favorite tropical wear.

Mahalo!
Cean

All Faiths Food Bank Donations April, 2023

January and February demonstrated the great and generous TRWC spirit of giving to the All Faith Food pantry donations. April will be our final month for food collections. Thanks to Diane Geramanis for organizing these collections and the many assistants who helped load the car with donations for delivery to the food pantry. And many thanks to you for your generous donations..

Along with everyday needs, each season creates new circumstances for the food pantries. As summer approaches food pantries begin to gear up for summer when school lunches are no longer provided to students thus placing an additional strain on families. Student healthy snack packs are also an aim for the food pantries.

If you would like to continue giving to this wonderful community resource click here for more information [All Faiths Food Bank](#). Cash donations are always welcome too!

Questions? Please contact Diane Geramanis dgeramanis@me.com

A special thank you from an All Faiths food pantry volunteer-

Dear Turtle Rock Women's Club,

"What a generous group of women live here in Turtle Rock! Thank you for your February luncheon food drive! In total, you donated 88 items, and if one presumes approximately 3 servings per item, then the math equals to 264 servings of donated food. This amount also means that because of your generosity, on 264 occasions food insecure people will look in their pantry and say to themselves, "okay, so I do have something to eat/serve my family tonight."

Thank you for your outreach to others who are less fortunate; also, a note of thanks to Diane Geramanis who collected the food during the luncheon. Many people will benefit from your help and thoughtfulness."

Best regards,
