Bad Lies is the story of Eddie Bennison, a successful pro golfer on the Senior Champions Tour. When, at the peak of his success, the golf world's most popular magazine runs articles that claim Eddie is cheating and doping to get ahead, his world is shattered.

The damage to his career and his life are irreparable, so he files a highly-publicized lawsuit accusing the magazine and its affiliated companies of libel.

Weaving in and out of the courtroom, across the offices of the lawyers, the litigants, and Bennison's sponsors, and through well-known golf courses, *Bad Lies* is a gripping, entertaining novel that gives the reader a better understanding of how the First Amendment can serve as a sword as well as a shield.
