PATRIOT DAY- SEPTEMBER 11

Tuesday, September 11, 2018 will mark the 17th anniversary of the terrorist attacks in New York, Pennsylvania and Washington DC. It is a solemn occasion, and a chance to honor those who died and the heroes that emerged that day. It is customary to observe a moment of silence beginning at 8:46am marking the time the first plane struck the North Tower of the World Trade Center on September 11, 2001. On Tuesday, U.S. flags will be flown at half-staff from sunrise to sunset.

News You Can Use

HONORING OUR VETERANS

Veterans Day is a time to thank those who are serving or have served and are still with us. Memorial Day is to reflect and remember those who lost their lives in service to their country. Confusing the two or combining the two diminishes the importance of both. As we approach the official Veterans Day, November 11th, we would like to honor our Palmer Ranch neighbors who are serving or have served in the armed forces. For this acknowledgement, we need your help. Please email Carrie (carrie@palmerranch.net) with the name, rank and branch of service of our Palmer Ranch veterans. We will feature their names in our annual Veterans Day Special Edition. Thank you.

On The Grounds

FOXTAIL FERN (ASPARGUS DENSIFLORAS ‘MYERS’)

Foxtail ferns are unusual and attractive evergreen flowering plants. Also called Myers Ferns, they are not really ferns, as they reproduce from seeds and not from spores. Multiple plants clumping together make their appearance similar to that of ferns, but in truth are a member of the lily family. They are spreading perennial herbs that have a fine texture with a stiff, upright growth. The structures that most consider to be the leaves of this plant are actually narrow, light green, leaf-like branchlets often armed with sharp spines, however, the actual leaves of this fern are scale-like and inconspicuous. The foxtail fern has flowers that are white or pale pink which produce bright red berries.
