GREEN TEAM EVENT AT THE GLENRIDGE ON PALMER RANCH

The Glenridge Green Team invites you to a presentation by Dr. Charles Reith, on the burgeoning green movement in Sarasota. Many Sarasota groups such as Citizens Climate Lobby, Rethinking Plastic, the local Sierra Club, the local Audubon Society, and city and county sustainability departments are making progress in climate change awareness and mitigation techniques. Dr. Reith will report on developments by these groups and will discuss how smaller businesses and organizations are not making as much progress as larger organizations.

After working many years in a Fortune 500 engineering firm, Dr. Reith joined Tulane University's AB Freeman School of Business to launch environmental tracks in its MBA and BSM programs. He has extensive experience advising businesses and institutions on how to improve their environmental performance while lowering costs. This free event will take place on **Monday, January 14th at 10:30 AM** in the theater at the Glenridge on Palmer Ranch, 7333 Scotland Way. The public is welcome. Please contact Susan Button at susanvinalbutton@gmail.com with any questions about this event.
