NATIONAL VIETNAM WAR VETERANS DAY – MARCH 29TH

National Vietnam War Veterans Day is a commemorative holiday in the United States, which recognizes the sacrifices that veterans and their families made during the Vietnam War. It is also a day to give proper recognition to the men and women who returned home from that war and didn't receive a proper welcome home. It's a holiday that's been celebrated since 1973 on either March 29th or March 30th of each year through a patchwork of state resolutions. However, in 2017, the date of the holiday was set as March 29th by President Donald Trump. This day is now officially known as National Vietnam War Veterans Day.

From all of us at the Master Association office, we thank you for your service and sacrifice. We are forever grateful!

REMINDER TO PUSH THE BUTTON - CENTRAL SARASOTA PARKWAY AT THE LEGACY TRAIL

1. Push Button to Alert Motorist
2. Wait for Vehicle to Stop
3. Make eye contact with the driver
4. Cross Carefully

Florida law grants cyclists on a crosswalk the same rights and responsibilities as pedestrians. Drivers are required to yield to pedestrians in the cross walk. The purpose of the flashing lights is to alert motorists that there is someone entering the crosswalk and they must yield.

Everything You Need to Know About Palmer Ranch – The Master Association

The Master Association is the Palmer Ranch Master Property Owners Association, Inc. All owners of Residential, Commercial-Industrial and Recreational properties are Members of the Master Association.

The purpose of the Master Association is enforcement of the covenants, monitoring functions including governmental requirements of the development, maintaining and enhancing the Master Association common area landscape including public road and drainage rights of way, as well as additional responsibilities further defined in the Declaration of Protective Covenants, Conditions and Restrictions for Palmer Ranch.

There are many property types on Palmer Ranch. For purposes of classification and representation to the Master Association they are; Residential, Commercial/Industrial, and Recreational. Residential properties may further be identified as single-family homes, condominiums, apartments and assisted living facilities.

Communities on Palmer Ranch may be a single entity with many Sub-Associations within, such as Prestancia or Stoneybrook Golf and Country Club. At this time, there are 34 Residential class Communities on Palmer Ranch. Counting all Sub-Associations and Tract Communities there are currently:

25	Condominium Associations	4	Apartment Communities
46	Home Owner Associations	22	Commercial/Industrial interests
4	Assisted Living Facilities	2	Recreational interests

Each has voting interests equal to their Assessable Unit Values. Most Residential properties are assessed at one (1) Unit Value per residential home. For example, VillageWalk with 1,177 units are assessed at one Unit Value and the community has 1,177 voting rights.

Some properties such as Adult Living Facilities, Covenant Life Church, TPC and the YMCA have an assigned value. The Glenridge, for example, is assigned 371-unit values, TPC 20, Covenant Life 10 and the YMCA 5.

Condominiums located within a Community with overall density equal to or greater than eight (8) dwelling units per acre are assigned a value of seventy-two/one hundredths (0.72) per unit. SANDHILL CRANE COLT SEASON

March begins our Sandhill Crane colt (babies) season. This is when the babies start exploring and learning 'on the job' from Mom and Dad. Because of this, we ask that all of our residents be extra vigilant when driving on our roads. Because the colts haven't yet learned how to navigate the extreme traffic in our area, we're asking that our residents abide by the posted speed limits, we can hopefully keep more babies alive this way. Sandhill Cranes are protected by the U.S. Migratory Bird Treaty Act and as a State-designated Threatened species by [Florida's Endangered and Threatened Species Rule](#), so its extremely important to safe guard our 'young'. The Master Association Board approved adding 15 more 'Sandhill Crane Area' Signs, so please be on the lookout for these signs arriving the first week of March, weather permitting.

Because the color of the birds blends with the color of the asphalt, the birds are often exceptionally hard to see and if you're driving into the sun, they can become invisible. So, please, slow down when driving anywhere on Palmer Ranch. I can't stress how important this is to our wildlife and our neighbors as well.
