CALLING ALL PALMER RANCH SINGERS

It's time to start singing! Do you love to sing? Do you sing in a chorus or choir? You're invited to join the VillageWalk Singers as they begin preparations for a Fall 2022 concert. They will be meeting at St. Andrew United Church of Christ, 6908 Beneva Road, beginning **Monday, October 3rd**; practices are weekly 1:15pm-3:30pm, culminating in a concert on December 11th. Music from their library will be provided, when possible; purchase of music may be required. Dues are \$40 for the Fall "semester."

Their Artistic Director, Jane Hunder, fantastic accompanist, Linda Lee Miller, and their Leadership Team have prepared a delightful holiday program, and are looking forward to the group's return to singing after a two-and-a-half-year hiatus due to Covid. Their ultimate goal is to have a Palmer Ranch Community Chorus with singers from the various communities within Palmer Ranch. They hope to see many Palmer Ranch neighbors on October 3rd, to lift voices in song and share the love of singing.

Interested? Call Peggy Wells at (941) 504-0464.

"The MISSION of VILLAGEWALK (VW) SINGERS is to enrich the lives of all members who love to sing by fostering and developing an appreciation of music in a joyful, nurturing environment and to provide opportunities to share their choral artistry with the greater community."

Friends of Osprey Junction Trailhead e-Bike Battery Recycling Program

Research shows that more than 12 million electric bicycles (e-bikes) are estimated to be sold in the United States between 2020 and 2030. That's 12 million batteries used to power those e-bikes that will need to be safely and responsibly collected and recycled at their end-of-life. With this in mind, Friends of Osprey Junction Trailhead has announced an e-bike Battery Recycling Program.

Partnering with Call2Recycle, the country's leading consumer battery recycling and stewardship program (www.call2recycle.org) and local bike shops participating in the program, Friends of Osprey Junction Trailhead is excited to add this e-bike battery recycling program to its existing community services and programs.

If you have an e-bike battery you wish to recycle, you can find the drop-off location nearest to you by visiting <https://www.call2recycle.org/e-bikes/> and do a zip code search.

For more information, contact Ralph Monti, Director of Bicycle Programs for Friends of Osprey Junction Trailhead by email at ralphmonti@gmail.com.
