Pearl Harbor Remembrance Day is not a federal holiday, however, flags are flown at half-staff, so that Americans never forget this day that lives “in infamy.”

WINTER ANNUALS

A seasonal tradition on Palmer Ranch is the changing of the annuals. Winter brings forth striking beds of Geraniums. Soils will be modified at each of the Palmer Ranch entrances in preparation for the installation of the winter plantings. The design features full beds of Red Patriot Geraniums. Planting the annuals in late November/early December allows the plants to “harden in” before the colder weather arrives.

The Patriot Geranium feature lightly scented crimson flowers which mature to about 24-30” tall and spread anywhere from one to two feet. They prefer moist but well-drained soil. We trim back, or pinch off, the old blooms which prompts the plant to send out new blooms which is why the Geraniums look beautiful all the way to the spring planting of Sunpatiens.
