Artists of Palmer Ranch – Featured Artist, Lorna Fitch

I grew up in West Hartford, CT. My parents were both creative—my Dad enjoyed painting when he had the time to dabble, and my Mom, although not an artist, had a spectacular “eye” for design. I graduated from Wheelock College and taught young children in my 20s. I moved to Massachusetts in my 30s, got married and had one son, who is currently a chef in San Francisco. After thirty years in Western Massachusetts, I moved to Sarasota in 2014.

I always enjoyed working on some creative project. Whether it was stained glass, sewing, calligraphy, card-making, or designing my home both inside and out, my passion was always working toward making something beautiful. Painting has become my latest passion. I began with oil paints because I inherited

my Dad’s old tubes and brushes. I’m still learning, but find I love every aspect of this medium, from finding the right mix of color, to applying it on canvas. I’m a detail person, so when I see an image that moves me, I try to recreate it on the canvas. What’s next? I’d like to learn how to soften up those details into a more impressionistic style...or, just keep doing what I do—it’s fun!

NATIONAL PEACE OFFICERS MEMORIAL DAY AND POLICE WEEK

In 1962, President Kennedy signed a bill proclaiming **May 15 as National Peace Officers Memorial Day** and the calendar week in which May 15 falls, as **National Police Week**. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others. In 1994 an amendment was made to the bill directing that the United States flag be flown at half-staff on May 15.

FLAGS WILL BE FLOWN AT HALF-STAFF ON PALMER RANCH – FRIDAY, MAY 15TH FROM SUNRISE TO SUNSET IN HONOR OF OUR FALLEN PEACE OFFICERS

We at Palmer Ranch cannot give enough thanks to our local law enforcement officers for putting their lives on the line every day, for each one of us.

MEMORIAL DAY FLAGS AT HALF STAFF FROM SUNRISE TO NOON

On Palmer Ranch, smaller US flags have been set out to mark the Memorial Day period, with the flags lowered to half-staff on **Monday, May 25th** from sunrise to noon. Memorial Day, originally called Decoration Day, was first observed on May 30, 1868, when flowers were placed on the graves of Union and Confederate soldiers at Arlington National Cemetery. It is a day of remembrance for those who have died in our nation's service.

HOLIDAY HOURS FOR THE MASTER ASSOCIATION

The Master Association office will be closed **Monday, May 25th**, in honor of Memorial Day, reopening **Tuesday, May 26th at 8am**.

New Life on THE RANCH in spite of COVID-19

If there is one thing to be grateful for during this pandemic, its our wildlife!! In spite of sad news every time we turn around, our wildlife are breeding like crazy. Palmer Ranch has babies galore. We've got Sandhill babies, Owl babies, Red Shoulder Hawk babies, Eagle babies and even though I haven't seen any yet, I'm sure we're about to have Alligator babies!!! Following are some of the BABY pictures we've received from our communities.

I do have one SAD update, one of our Sandhill babies was hit by a car on Northridge Road. I received a call from the county saying that the caller claimed they didn't see one of our 15 brand new signs we just installed throughout the ranch. Sandhill Cranes are on the Ranch ALWAYS. You need to be AWARE when driving on our ROADS. Just because you can't see a sign reminding you doesn't mean that they are not there!!!! Remember, Sandhill's mate for LIFE!!

PLEASE SLOW DOWN

On another note, be on the lookout for Bicycle Racks being installed alongside our benches. We're only putting up four racks for now to try out. Look for them on Northridge, McIntosh at Palmer Ranch Parkway West, Honore just north of Village Walk entry and McIntosh north of Stoneybrook entry.
